

# AIR BREATHING HOSE

FOR USE WITH THE QUILL FALCON AIR BREATHING UNITS

The Quill Falcon Air Breathing Hose is manufactured to EN 14593 -1 and EN14594 and is designed for use with the full range of Quill Falcon Air Breathing Units, providing the best possible protection for operatives working in hazardous environments.

The lightweight, reinforced braided PVC hose is tough yet flexible and is fitted with a CEJN plug and socket as standard.
