

MOBILE 4 MAN AIR BREATHING TRAILER

FOR AIR BREATHING IN HAZARDOUS ENVIRONMENTS

The Quill Falcon Mobile 4 Man Air Breathing Trailer is designed for asbestos removal contractors or those customers working in hazardous environments where they have a need for air fed breathing apparatus.

The Quill Falcon Mobile 4 Man Air Breathing Trailer is manufactured to compressed air breathing standard EN12021. The Quill Falcon Mobile 4 Man Air Breathing Trailer provides a reliable source of high purity air for up to 4 operatives and can be supplied with airline breathing harnesses and Scott RAS masks. There is also a reserve air supply in the unlikely event of main supply failure and an integrated control panel for monitoring individual operatives air supply.

On site air quality testing can be provided for this equipment if required, please call +44 (0) 1332 864664 or email sales@quillinternational.com to arrange your on site air quality test.
