

NEW QUILL FALCON

MOBILE 2 MAN AIR BREATHING UNIT

The NEW Quill Falcon Mobile 2 Man Air Breathing Unit is designed for asbestos removal contractors or those customers working in hazardous environments where they have a need for air fed breathing apparatus.

The NEW Quill Falcon Mobile 2 Man Air Breathing Unit is manufactured to compressed air breathing standard EN12021 and works with most stand-alone compressors. The Quill Falcon Mobile 2 Man Air Breathing Unit provides a reliable source of high purity air for up to 2 operatives and can be supplied with airline breathing harnesses and Scott RAS masks. There is an integrated control panel for monitoring individual operatives air supply and the unit has 2 robust wheels so the unit can be wheeled around site easily.
